News from the KSU Part-Time Faculty Council

VOL. 2, ISSUE 1

SEPTEMBER 2014

The Kennesaw State University Part-Time Faculty Council (PTFC) was formed in 2013 by a resolution from the Faculty Senate. It was created to provide part-time faculty (PTF) with a vehicle to share information and explore issues or concerns relevant to all PTF.

## From the President's Desk

Welcome to Fall 2014 at Kennesaw State! The first semester of the new academic year is always an incredibly exciting time to me. During these first few weeks, I have been amazed at the dramatic increase in the number of students and faculty as well as the overall energy and activity on our campus. KSU's student population has grown yet again even as other institutions throughout the state have not. This speaks highly of our university's reputation across Georgia. As we begin this new academic year filled with excitement and anticipation, let us keep that momentum going for our energy and optimism transfers to our students and our co-workers. As a council, we are very optimistic that many of the projects and initiatives we began last year will reach fruition in the coming months. Meanwhile, if you have anything that you consider important to part-time faculty as a whole or to you as an individual, please reach out to your departmental representative or to me personally. We are here to serve YOU!

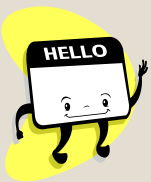

Warm regards,

*Yvonne Wichman*

## Highlights from Our First Year

The Kennesaw State University Part-Time Faculty Council (PTFC) has come a long way in one year. To begin with, you should know that KSU is the first university in Georgia to have part-time faculty represented in this way. That in itself is a major accomplishment. With that being said, we thought you might like to see some of the accomplishments and milestones to date.

- ◆ Elected Officers & Created Bylaws
- ◆ Developed a website linked on the KSU site for all PTF
- ◆ Created Research Committee and Public Relations Committee to address areas of concern to PTF
- ◆ Conducted two surveys for areas of concern to 700+ PTF at KSU
- ◆ Worked with American Association of University Professors (AAUP) and Dr. Papp to facilitate a Meet & Greet for all PTF in March
- ◆ Published first newsletter and posted it on the KSU PTFC site
- ◆ All KSU PTF granted a 2% raise by the Board of Regents

## On the Docket

Here are some of the issues the PTFC will be working on this year. Look forward to hearing more about these items as the year progresses. If you feel there is something that should be addressed by the PTFC, please contact your department representative and they will let us know.

- ⇒ Parking Fees
- ⇒ Honors and Recognition
- ⇒ Course Loads

If you would like to join us in our work, please read about our committees in the next section and consider joining one of them to help out. It doesn't take a great deal of time but the more folks helping, the faster we get issues addressed or resolved. We hope you'll join us!

## PTFC Committees

Committees are where much of the work of an organization gets done and the PTFC is no exception. There are currently two committees and both are recruiting help from PTFC representatives or general part-time faculty. You do not need to be a PTFC representative to serve on a committee; you just must possess a desire to help.

Please look over the descriptions for each of the current committees. If you would be interested in serving, please email our secretary, Mary Migliaro, ([mmigliar@kennesaw.edu](mailto:mmigliar@kennesaw.edu)) or the chair of the committee you are interested in joining. Get involved...We'd love to have you!

### Research

Chair: TBD

Members: Kimberly Davis, Ed Delafuente, and Bryce McGowan

The Research Committee is responsible for assisting the PTFC in gathering the necessary data surrounding issues of concern for the PTFC. This may include developing surveys or questionnaires for PTFC members, other colleges and universities, etc., and disseminating that information to the PTFC. This committee may also conduct research around issues concerning part-time faculty at KSU, at other universities in Georgia, and universities across the US to determine trends, best practices, etc.

### Public Relations

Chair: Mary Migliaro ([mmigliar@kennesaw.edu](mailto:mmigliar@kennesaw.edu))

Members: Allen Robinson, Mary Migliaro

The Public Relations Committee is responsible for the PTFC newsletters and promotional materials sent out to PTF as well as other marketing or informational materials as requested by the PTFC. They also coordinate with the executive committee on information and updates necessary for the PTFC website.
